

Little Choughs is an integrated part of Early Years and Key Stage One within the School building.

Children can attend Little Choughs from the term of their third birthday, either through funding or parental contributions. All children are funded for 15 hours in term after their third birthday. Parents can also pay for sessions if part or all of their child's 15 hours funding is being used at another setting. Enquire if you think you are eligible for 30 hours funding.

We provide 5 sessions through the week from 9am – 3pm Please view Dinner Menu on our Website.

Midway through the morning, children are provided with a healthy snack and drink. At the end of the session parents are encouraged to come into the classroom when collecting children to see what learning has taken place during the session.

Please pop in and see us, we'd love to meet you and show you around the school and nursery. We can also help with advice about funding.

Free taster sessions are available throughout Term Times.

"My sons have both loved attending Little Choughs. I think what's really nice is the way that they feel part of the big school at times when they're involved in events or trips. For me, it's great that the children get lots of fresh air and active play as well as having a fantastic selection of toys and crafts to use indoors"

Little Choughs Parent

"Children in the Early Years Foundation Stage benefit from good and outstanding teaching and develop quickly" Ofsted Inspection of Gerrans School June 2013

Little Choughs Nursery

Gerrans School

Little Choughs is a safe and secure nursery provision providing a nurturing and stimulating transition into full time school.

Little Chough children benefit from being included in whole school activities, spacious indoor and a great outdoor learning environment which is used extensively.
