Any other comments

- Yes I would recommend the school to other people. The staff are very friendly. I think that a little more information before your child starts school would be very beneficial for example what PE kit is required , who the staff are, what to do about lunch etc . Maybe a welcome pack with information about the school procedures etc.

Response from School: Thank you. As most of our reception intake are existing members of our Nursery, we have felt in the past that this information has been shared verbally between staff and parents at transition opportunities. However, the suggestion you have made is a valid one and caters for families new to the school as well. Therefore this summer we shall be producing a 'Welcome Pack' for children and parents new to reception. We hope this will be useful. It will also be placed on the School Website for reference. Thank you for this valuable comment.
