

Curriculum Statement

Intent-

- Provide a full and varied curriculum to each and every child. Our intent is to instill each child with a love of learning and to equip them to be responsible and resourceful learners.

Implementation-

- Ensure all children have equal access to the full National Curriculum. This will be achieved through giving consideration to their; age, stage, interest embracing local community and global issues.
- All topics are underpinned by skills in reading, oracy, writing and maths.
- Opportunities are provided for learning beyond the classroom.
- Teaching is high quality across the curriculum
- Adults within school are positive role models.

- Children are provided with opportunities to develop their own skills to act as role models as they progress through the school.
- The unique nature of our broad and rich curriculum is provided to all children in a carefully planned progression enabling them to succeed within our mixed aged settings.
- The intimate nature of education within a small school community allows children and adults of all ages to foster supportive relationships.
- Children are taught the skills of becoming a resilient learner in order to develop a positive growth mindset.

Impact-

- All pupils are ready for their next stage of their learning.
- All pupils to have formed strong connections with their environment and community having an eagerness to explore and respect the wider world.
- Pupils are physically and mentally prepared their next stage of learning having spent the first part of their education in a nurturing and caring environment.

- All children make at least good progress academically from their start points.
